

Congratulations for joining LABAS!

How do you start using LABAS?

Insert the LABAS SIM into your phone and call or SMS your friend. That's it! The SIM is activated. You will be notified about that by an SMS.

If you need more GB of mobile data or if you want to call non-Lithuanian foreign numbers, top up your LABAS account.

How do you top up your account?

 **Bank card** Go to www.labas.lt and select "Bank card." Enter your phone number, choose the amount to add and enter the bank card data.

Get a LABAS receipt at a shopping center

 **Go to any BITĖ shop**
